

Congratulations to the Winners of ISRO Robotics Challenge – URSC 2025

Prize	Team ID	Team name	College name
1 st Prize	10386	Galactic Gearheads	Pune Institute of Computer Technology
2 nd Prize	10004	Team Soorya	Sharda University
3 rd Prize	11444	Njord	Indian Institute of Information Technology Dharwad
Consolation prize-1	10147	Titans	Yeshwantrao Chavan College of Engineering
Consolation prize-2	11327	Cosmos	Institute of Engineering and Management
Special Prize for Innovative and Non-intuitive thinking	11327	Cosmos	Institute of Engineering and Management

We extend our heartiest congratulations to all the winners of the ISRO Robotics Challenge – URSC 2025 (IRoC-U 2025), announced and awarded by Honourable Minister of State Dr. Jitendra Singh on National Space Day 2025 at Bharat Mandapam, New Delhi. The Honourable Prime Minister of India has also appreciated and praised initiatives like the Robotics Challenge for igniting interest in space science and technology among young minds.

This year's challenge brought together hundreds of student teams from across India to develop advanced solutions in space robotics, culminating in the Final Field Round at URSC, Bengaluru.

We are proud of the creativity, dedication and innovative spirit shown by the winning teams and every participating student. Your efforts demonstrate India's growing capability and enthusiasm in the field of space robotics and will inspire future interplanetary missions.

Heartfelt congratulations once again to all the winners — you have set a high benchmark for the years to come!

Date: 15-Sept-2025
