

Name of Public Authority: U.R. Rao Satellite Centre, Bengaluru

Ministry / Department: Department of Space

### CONCLUDING SUMMARY

The website is quite exhaustive and citizen centric. The RTI window in the website shows the proactive disclosure of information at one place which is commendable. The Annual Report for the period 2020-21 has also been perused. It is seen that it is more exhaustive and contains information in an organized manner. It is recommended that suitable links may be provided to certain areas of the report particularly the schemes under way and those completed. The Budget details may also be linked with the RTI window.

The paras which have been shown as "Not Applicable" may be reviewed particularly information pertaining to procurements, contracts and tenders. ||

The FAQs and Citizen's Charter may be made a little more exhaustive in the interest of the citizens and the students. Information relating to details of policies and decisions affecting the public may be incorporated in a suitable manner. ||
