

National Space Day – 2024

Patna, Bihar

Competition details and instructions

Theme :- “Touching lives while touching the Moon: India’s Space Saga”

National Space Day is celebrated to commemorate the successful landing of Chandrayaan-3 lander on the surface of Moon. 23 Aug 2024 marks the first anniversary of this remarkable achievement. In this connection, on the 29th July 2024, U R Rao Satellite Centre and Liquid Propulsion System Centre, Bangalore, of ISRO in association with Bihar Council of Science and Technology and Birla Institute of Technology, Patna are organizing a one day event on Space technology and its applications to engage with and inspire youth and general public of Bihar. Talks by eminent scientists, video shows and competitions are planned on the occasion. Students are encouraged to participate and make the celebration a grand success.
